WEALTH DYNAMICS ACADEMY –REGISTRATION FORM

Wealth Dynamics Academy programme steps deeper into the world of Wealth Dynamics. For the first time, participants will learn the 64 wealth vectors, which connect each wealth profile and connects every entrepreneur with the seasons and cycles within their enterprise and their industry.

The programme goes into detail on the eight stages of enterprise and what we should each do at each stage. It's designed as a transformational experience with some fantastic games and techniques to understand the seasons and frequencies we are living in. Over the next 12 months, you will learn and execute strategies to multiply your income. Your path and strategy will be tailored to you, your circumstances and your current resources. This programme includes:

- Four Day Programme- Wealth Dynamics Academy with Roger Hamilton, 3rd to 6th Nov 2008, Singapore.
